# **What have we done so far this week?**

- Uh... as not much as we would have liked (mostly on my end.) However, that doesn't mean that we haven't done anything at all!

# My Showcase Video (in case for in-class technical difficulties)

# Design Patterns:

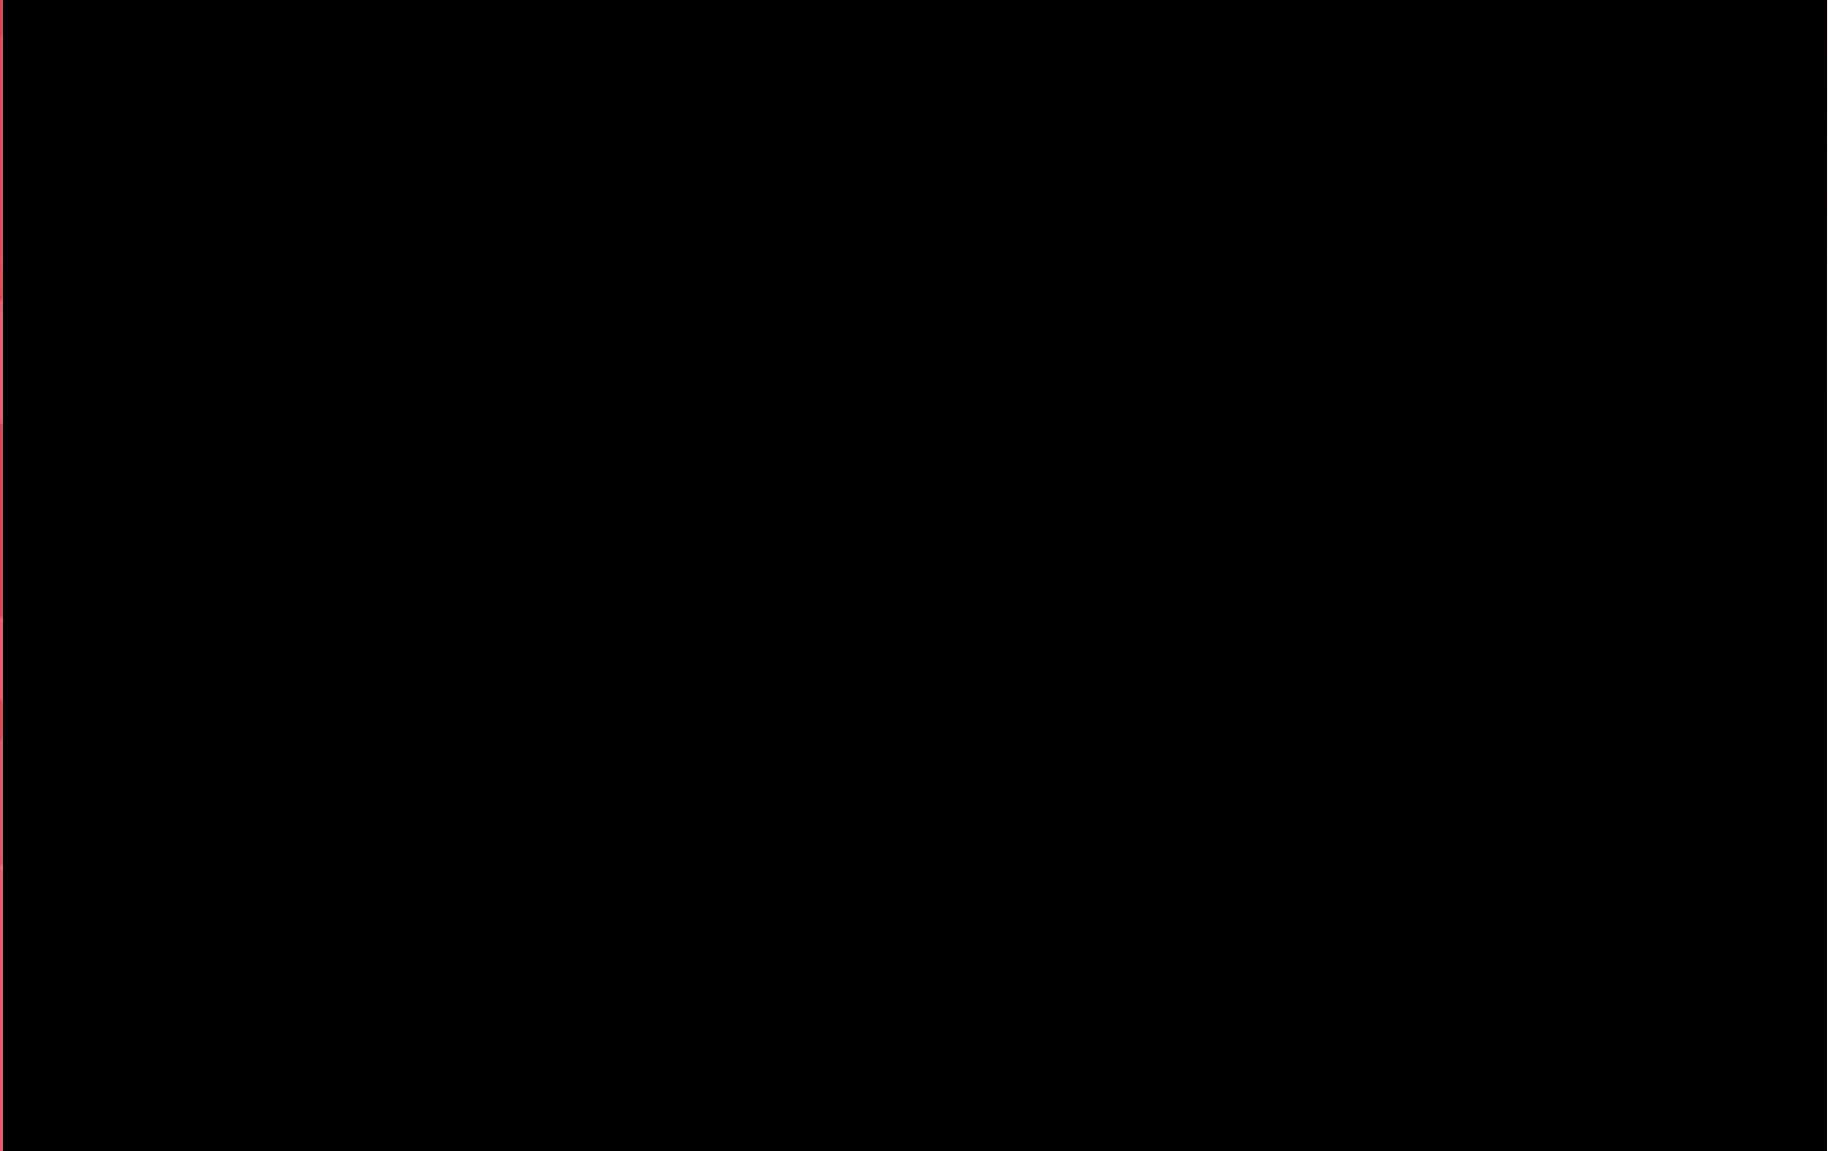

The design patterns each member in our group as selected goes as follows:

- **Alija**: Singleton, Private Class Data
- **Erik**: Builder, Singleton
- **Kynan**: Template Method
- **Owen**: Singleton, Private Class Data
- **Sasha**: Singleton, Factory Method
- **Sebastian**: Mediator, Command

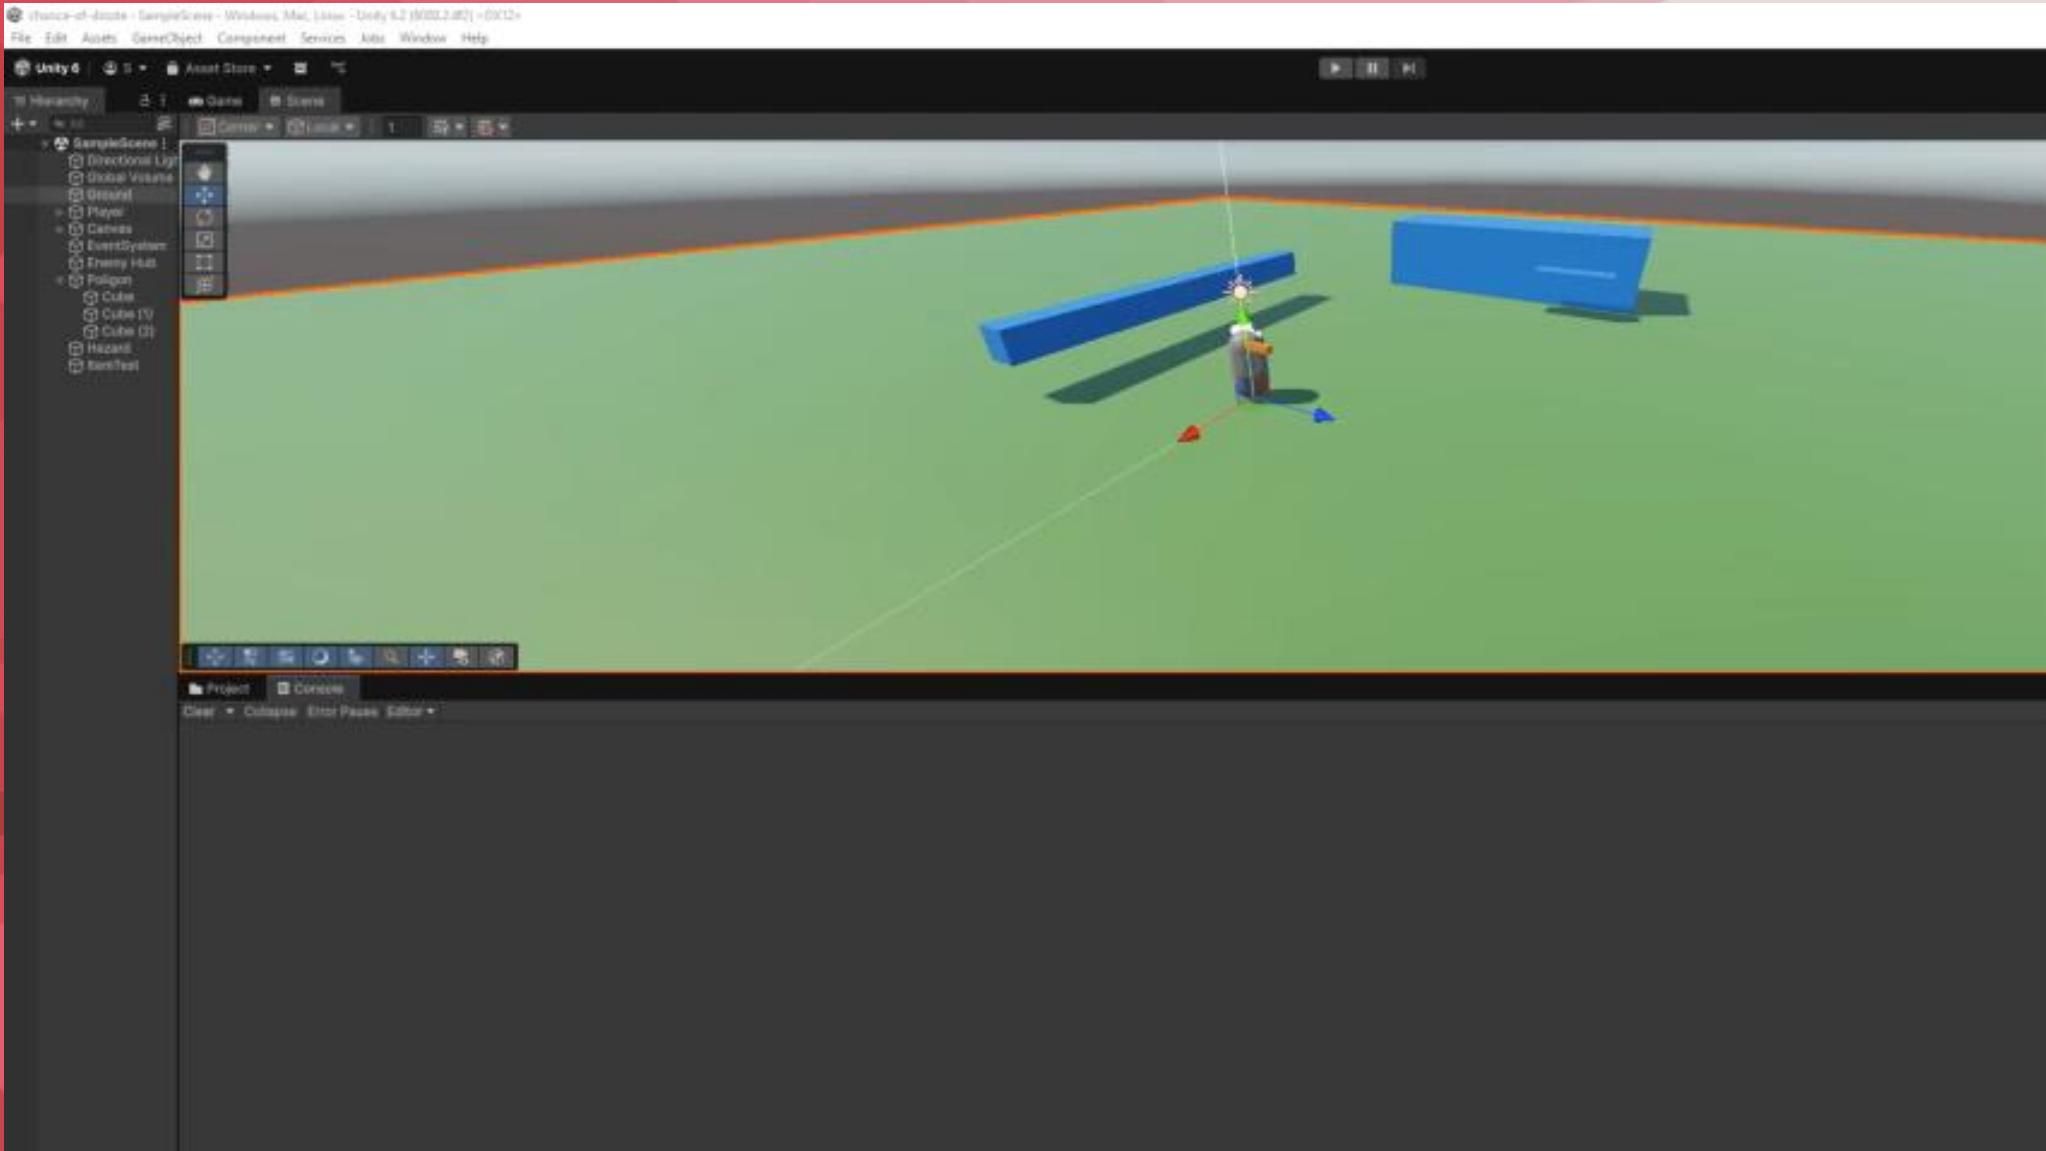

The background features a large, abstract geometric pattern composed of numerous triangles. These triangles are primarily shades of red, from deep maroon to bright coral, and are arranged in a way that creates a sense of depth and movement. The pattern occupies the left two-thirds of the frame, while the right third is a solid white space where the text is placed.
